

As construction continues, we have been diligently working to finalize a seating process inside our new, world-class venue that will seat more than 12,000 track and field enthusiasts. The seating configuration at Hayward Field will give more fans the ability to sit in premium locations, with the goal of having approximately 1,300 seats near the finish line.

Similar to past years, season ticket holders will again receive the opportunity to purchase tickets to track and field meets hosted at Hayward Field that are considered outside events.

We will do our best to keep you updated as additional information on the project becomes available. The most up-to-date information is shared at [goducks.com/Hayward](http://goducks.com/Hayward). Thank you again for making Eugene, Oregon, Track Town, USA. We look forward to spending many more years with you at Hayward Field.
